

Virtual panels on NASH organized by the Global Liver Institute

June 10, 2020

In our effort to help people living with HIV fight against Non-Alcoholic Steatohepatitis (NASH) and Non-Alcoholic Fatty Liver Disease (NAFLD), and on the occasion of the International NASH Day, we would like to invite you to the free virtual panels organized by the Global Liver Institute and its international partners on June 12, 2020 to help raise awareness about and address these diseases. For more information, please visit: <https://www.international-nash-day.com>.
