

## **ME DENIS BOUCHER, NEW VICE PRESIDENT, COMMUNICATIONS AND CORPORATE AFFAIRS**

February 7, 2018

Theratechnologies Inc. announces the addition of a new resource in its management team with the hiring of a Vice President, Communications and Corporate Affairs. Denis Boucher started on January 8, 2018.

Denis Boucher has more than 30 years of experience in communications including almost 20 years in the healthcare sector. He has been a consultant to the Company when he was a partner in the most important public relations firm in Canada and, afterwards, while he was completing his Law degree at the Université de Montreal.

Mr. Boucher holds a Bachelor of Arts from Université Laval and a Law Degree from Université de Montréal. He was called to the Quebec Bar in 2016. Until recently, he practiced Commercial and Civil litigation and Labour and Employment law in a private cabinet in the Montreal region.
